### **DJK Announces GET2009, "Global Expansion for the Top"**

**Tokyo, Japan, May 11, 2007** - Daiichi Jitsugyo Co., Ltd. (DJK), the parent company of Daiichi Jitsugyo (America), Inc., announces its 3-year management plan, called "GET2009", from financial year 2007 (ending March 31, 2008) to financial year 2009 (ending March 31, 2010).

Under the previous 3-year management plan until financial year 2007 (ending March 31, 2007), the DJK group has promoting our world 4-axis distribution channels (Southeast Asia, China, Americas, Europe) for meeting our customers' demands for its globalization through our expansions of world-wide offices and through localizations from a oversea office to an incorporation such as that in Singapore. And, as a Total Solution Provider, the DJK group has strengthen its sales and support structures by grouping its manufacturing divisions (DJTECH and DAIICHI JITSUGYO VISWILL) in addition to existing engineering divisions. Under its new 3-year management plan, called "GET2009", the DJK group is planning to expand further the previous plan by accelerating world-wide businesses through our world 4-axis distribution channels under the following 3 principles.

1. Strengthening return on investment (ROI)
2. Enlargement of consolidated corporate value
3. Improvement of management structure

Based on these 3 principles, the DJK group aims JPY 170,000 millions of the consolidated sales volume through the last financial year 2009 (ending March 31, 2010).
